MRS. GRIFFITH'S

October News

Open House

We are going to have Open House this year on October 27th from 6-7:30. The night will include a Fall Festival with games/activities, a hayride, and free dinner! There is also a family pumpkin decorating contest. Hopefully your family can make it that night so your child can show you around their school.

Spelling Words

These are words that the students will be working on throughout the week and will be responsible for spelling correctly next Friday:

got dog top not stop

Vocabulary Challenge Words

Talk about or look these words up at home for next week: arachnid, insect, creep, fang, web

Sight Words

The following are sight words we will cover next week:

*an *can *help *let *red *ran

Reading

Keep reading and recording in your reading logs! You can record minutes for any time spent reading. It does not have to be just from the little "just right" books that are sent home every night.

Science

We learned about bats this week. Bats are scary looking, but not harmful to people. They are actually a lot like humans! Ask your student other bat facts or information they learned about this week!

Reminders

- *Please send in \$5 to cover the holiday parties this year.
- *Fall Fest/Open House is October 27th.
- *Book Orders are due on Tuesday, October 18th.
